Uline Opens Brampton Facility

Uline Shipping Supplies Opens New Brampton, Ontario Branch

On Monday, March 17th, Uline Shipping Supplies opened its new Branch in Brampton, Ontario. The 140,000 square foot facility, located just outside of Toronto, stocks over 15,000 items and over 900 stock box sizes available for same day shipment to Canadian customers. The Company uses its 416-page catalogue, field Sales Reps and www.uline.ca to promote a variety of shipping supplies, janitorial and safety products, retail bags, material handling equipment, and numerous other items. The new Branch will employ about 50 employees including Sales Representatives, Call Center personnel, and Warehouse associates.

"We are thrilled to bring world-class Uline customer service to Canadian customers" said Karam Lal, Branch Manager. "We know that our enormous in-stock selection of high-quality products, combined with our outstanding local service, will delight customers in Canada. We'll get your order shipped same day, and we'll ship to anywhere in Canada."

Uline was founded in the United States in 1980 by Liz and Dick Uihlein. The Company is headquartered in Illinois, with eight branches throughout North America and 2,400 employees. Uline had previously been servicing Canadian customers from its Chicago, Illinois location.

Uline is located at 60 Hereford St, Brampton, Ontario, L6Y 0N3. You can reach Uline Customer Service at 1-800-295-5510 or www.uline.ca. For additional information, please contact Karam Lal at 905-452-3190.
