GUEST SPEAKER

WAYNE GUDBRANSON **President & CEO, Branham Group Inc.**

Wayne Gudbranson is President and CEO of Branham Group Inc. an international information technology strategy and marketing consulting firm. He is a sought after speaker, having promoted Canada's IT industry capabilities in more than 25 countries in the world, from Norway to Costa Rica, from Japan to Germany, and from the United States to Mexico. An IT industry strategist, Wayne actively advises many of the established and emerging brands in global IT Industry. He has been instrumental in launching and re-launching companies and/or products in the United States, Europe, Canada, and other parts of the world.

Now in its 13th year, the Branham 300 is considered the authoritative listing of Canadian software and IT Services firms and represents a truly unique piece of intelligence on the Canadian Information Technology market. As such, the listing has become the pre-eminent the world over as the authoritative indicator for the health of the Information Technology industry in Canada.

HOME TO CANADA'S TOP TECH COMPANIES

Over 40% of the TOP 100 companies and over 90% of the Top 25 IT Multi-national listed in this year's Branham 300 call the Greater Toronto Area (GTA) home. A region with opportunities for growth in an economy that is diverse, highly skilled and innovative.
